# MUHAMMAD IZHAR

## CONTENTFUL CMS DEVELOPER

Experienced and proactive Web Developer with a strong focus on Headless CMS systems like Contentful and versatile skills in various web technologies. My background in Computer Science and hands-on experience as a React JS Developer, coupled with proficiency in front-end development and database management, enables me to create compelling and efficient digital solutions.

## SKILLS

- Headless CMS | Contentful | Sanity | Strapi
- React JS | Next JS
- Material UI, Tailwind CSS | Ant Design
- HTML | CSS | JavaScript
- API Development and Integration

## EDUCATION

### B.S. IN COMPUTER SCIENCE

University of Swat 2018 - 2022

GPA: 3.6/4.0

## EXPERIENCE

### CONTENTFUL CMS DEVELOPER

Royal Cyber Inc. Feb 2023 - Jun 2023

As a Contentful CMS Developer at Royal Cyber Inc., I handled a spectrum of tasks - content modeling, API integration, and workflow optimization. Proficiency in all aspects of Contentful empowered me to enhance content management efficiently.

### FRONT-END DEVELOPER

Pixelium Web Solutions Jun 2020 -Dec 2022

As a Front-End Developer at Pixelium Web Solutions, I led website and landing page projects from concept to deployment, emphasizing a responsive, mobile-first approach. I collaborated closely with product teams to seamlessly integrate new features.

### REACT JS DEVELOPER

Freelance | Self-Employed 2019 -Present

I've guided diverse businesses from design to final product, crafting Micro Sites, dynamic Landing Pages, Blogs, and Dashboards. I've delivered client support and tackled front-end challenges adeptly.
